Exe: Costume Designer | People Behaviour Guide -this tutorial shows how to make a video of you as a costumer, I will be doing a tutorial on how to make a stop motion video too. This is a behaviour analysis tutorial where i show people the best way to act, dress, and what to say when interacting with someone. ►Inspiration: This is my first video, so if you like it, please like, share and subscribe to my channel :) ►My Shop: HOW TO START/LIVE SITUATION ANALYSIS In this video we will be discussing how to start a situation analysis and what to look for. Once we identify the core issue, the best course of action is determined. published:31 Dec 2017 views:48 This is a quick tip video for situations in business with difficult people. Sometimes it is difficult to understand the needs of other people. Especially because we also have our own needs and wants. The more we take care of our needs and wishes, the more perspective we have in a situation. We will see that often and with ease. Motto: "Not everyone needs to be happy. I was wondering how to do this most simply. You see I do have an image I could use, but it is not a very good image. It is far from perfect. Any advice would be greatly appreciated. A Thomas S., Freelancer Oct 31, 2016 Reviews I would like to add an image of a pan of fried cornbread to a collection of scone recipes. I was wondering how to do this most simply. You see I do have an image I could use, but it is not a very good image. It is far from perfect. Any advice would be greatly appreciated. Fried cornbread is a favorite, it's a very different and interesting texture. If you are going to use an image of fried cornbread for baking, the bad thing about it is that the actual cornbread is very liquid so you are not going to have much of a moldable dough. Great idea if you were to make cornbread and place a very thin layer on top of your scones but it's probably
