a09c17d780

English

\u0410 simple game for the evening). pretty good game. Blasting slugs is pretty fun. But that's all there is. That's it. I get that thta is what the game is called...But yeah. I was hoping for gun upgrades and stuff. Probably worth it for a dollar though.

There might be some value in the multiplayer aspect of the game, but single player is pretty meh.
